The release of *Renewing the Promise* (2018), a pastoral letter in the tradition *This Moment of Promise* (1988) and *Fulfilling the Promise* (1993) has provided us with a very positive and affirming message from our Bishops. The letter uses the scriptural account of the Road to Emmaus as the basis for their reflection on the mission and vision of Catholic education, celebrating that a true encounter with Jesus can and does take place, each and every day within our Catholic schools.

This two-day workshop is ideally suited for individual Directors or Superintendents or board leadership teams to facilitate reflection and discussion about the pastoral letter *Renewing the Promise* and to integrate the content into board multi-year strategic plans or annual work plans. There will be generous sharing of locally developed resources along with focused, supported time for planning.
